

RECYCLING TIPS!

Inverell Shire Council's recycling tips for home, school and work!

RECYCLING AT HOME

- Check the products you buy are the best choice for the environment (for example, does it save energy, conserve water, does it have recyclable content).
- Reject unnecessary packaging;
- Re-use packaging;
- Sort your rubbish;
- Use your local recycling depot or kerbside service;
- Compost kitchen and garden wastes;
- Choose recycled goods whenever possible;
- Update to a 360 litre Recycling Bin.

RECYCLING AT SCHOOL

- Educate children to be responsible consumers and recyclers;
- Promote litter control;
- Educate parents and teachers;
- Support or initiate school recycling schemes including composting and worm farm programs.

RECYCLING AT WORK

- Promote efficient use of resources such as energy and office paper;
- Call Northaven to discuss commercial recycling solutions on 02 6722 2280;
- Publicise recycling initiatives through your staff newspaper, website or noticeboard.
