

NOTICE TO APPLICANT OF DETERMINATION OF A DEVELOPMENT APPLICATION

Issued under the *Environmental Planning & Assessment Act, 1979* Section 81(1)(a)

TO: **McNally Constructions Pty Ltd**
OF: **PO Box 795**
Warick QLD 4370

being the applicant in respect of **Application No DA-130/2018**

Notice is hereby given of the determination by Council of **Application No. DA-130/2018** relating to the land owned by **Mr Robert Scott Turnbull and Mrs Melanie Jane Turnbull, of 'Woodstock', 2906 Bedwell Downs Road, Yetman NSW 2410** and is described as follows:

Lot 14 DP 751089, Lot 19 DP 751089, Lot 5 DP 751089, Lot 63 DP 751089, Lot 64 DP 751089, Lot 65 DP 751089
6388 Warialda Road, YETMAN 2410

The development proposal is: **Dwelling**

The Determination is **consent granted subject to conditions described below** made on **15 October 2018**.

This consent expires five (5) years from the date on which it commences to operate in accordance with Section 83 of the Environmental Planning and Assessment Act 1979 unless the work to which it relates has physically commenced on site within that period. Where the approval relates to a use of the land rather than to the carrying out of works then that use must have commenced on site within that five year period.

The conditions of consent are set out as follows:

Preliminary

1. Inverell Shire Council issues its consent, subject to conditions stated hereunder, in accordance with Section 80A of the *Environmental Planning and Assessment Act 1979*.

Consent is granted for the construction of a dwelling on part 6388 Warialda Road, Yetman comprised of Lot 19 DP 751089, Lot 63 DP 751089, Lot 64 DP 751089 and Lot 65 DP 751089 (Auto Consolo 15311-54).

To confirm and clarify the terms of consent, the development must be carried out in accordance with the stamped and approved plans and accompanying documentation, unless modified by any following condition. Any deviation will require the consent of Council.

2. The applicant must comply with all relevant prescribed conditions as contained in Division 8A of the *Environmental Planning & Assessment Regulation 2000* (as detailed at the end of this consent).

Prior to Occupation of the Dwelling

3. Prior to occupation of the of the dwelling, an Occupation Certificate must be issued in accordance with Section 109M of the *Environmental Planning and Assessment Act 1979*.

Note: Prior to issue of the Occupation Certificate, the Principal Certifying Authority is required to be satisfied, amongst other things, that:

- all required inspections (including each applicable mandatory critical stage inspection) have been carried out; and
- any preconditions to the issue of the certificate required by a development consent

have been met.

4. Prior to issue of an Occupation Certificate for the dwelling, an Restriction on the Use of Land is to be registered on Auto-Consol 15311-54, which is to clearly state:
 - A registered proprietor of the Land must not transfer, transmit or otherwise part with ownership of the Land without ensuring that all lots included in the Land and comprising Auto Consol 15311-54 are part of such transfer or transmission; and
 - No dwelling may be constructed on Lot 19 DP 751089, Lot 63 DP 751089 or Lot 64 DP 751089.

Inverell Shire Council must be nominated as the Prescribed Authority for the Restriction.

Reasons for Conditions:

The above conditions have been imposed:

1. To ensure compliance with the terms of the applicable environmental planning instruments.
2. Having regard to Council's duties of consideration under Section 79C of the *Environmental Planning and Assessment Act 1979*, as well as Section 80A which authorizes the imposing of the consent conditions.
3. Having regard to the circumstances of the case and the public interest.

Reasons for Approval

1. The development, subject to conditions, is consistent with the objectives of the RU1 Primary Production zone.
2. An Restriction of the Use of Land will be imposed on the subject lots to ensure that the dwelling remains on 200 hectares and no additional dwellings are created.

Community Consultation

As per section 1.11 of the Inverell Development Control Plan 2013 the development was considered to be a minor development with minimal environmental impact and notification was not necessary.

If you are dissatisfied with this decision section 97 of the *Environmental Planning and Assessment Act 1979* gives you the right to appeal to the Land and Environment Court within 6 months after the date on which you receive this notice.

You are also advised that section 82A of the *Environmental Planning and Assessment Act 1979* provides that you may apply to Council for a review of this decision subject to the limitations contained in that section and payment of the prescribed fee.

Prescribed Conditions Summary

As per condition 2 of this consent, the following matters prescribed under Division 8A of the *Environmental Planning & Assessment Regulation 2000* must be complied with, where relevant:

1. All work must be carried out in accordance with the requirements of the *Building Code of Australia*.
2. In the case of residential building work for which the *Home Building Act 1989* requires there to be a contract of insurance in force in accordance with Part 6 of that Act, that such a contract of insurance is in force before any building work authorised to be carried out by the consent commences.
3. Prior to commencement of building work, subdivision work or demolition work a sign must be erected in a prominent position on the site. The sign must:
 - show the name, address and telephone number of the principal certifying authority for the work;
 - show the name of the principal contractor (if any) for any building work and a telephone number on which that person may be contacted outside working hours; and
 - state that unauthorised entry to the work site is prohibited.

The sign is to be maintained while the work is being carried out, but must be removed when the work has been completed.

4. Residential building work within the meaning of the *Home Building Act 1989* must not be carried out unless the principal certifying authority for the development to which the work relates (not being the Council) has given the Council written notice of the following information:
 - in the case of work for which a principal contractor is required to be appointed:
 - the name and licence number of the principal contractor; and
 - the name of the insurer by which the work is insured under Part 6 of that Act; and
 - in the case of work to be done by an owner-builder:
 - the name of the owner-builder; and
 - if the owner-builder is required to hold an owner-builder permit under that Act, the number of the owner-builder permit.

If arrangements for doing the residential building work are changed while the work is in progress so that the information notified as required above becomes out of date, further work must not be carried out unless the principal certifying authority for the development to which the work relates (not being the council) has given the council written notice of the updated information.

5. If the development involves an excavation that extends below the level of the base of the footings of a building, structure or work (including any structure or work within a road or rail corridor) on adjoining land, the person having the benefit of this consent, must at the person's own expense:
 - protect and support the building, structure or work from possible damage from the excavation; and
 - where necessary, underpin the building, structure or work to prevent any such damage.
