

3D CAD WORKSHOP

& Intro to Mechanical Design and CNC

What's CNC?
Computer Numerical Control converts a CAD design into numbers so it can be used on a 3D cutter!

FREE for youth 14-20 years

A three-day introduction to 3D CAD (computer-aided design) led by Andrew Blake, who has 20+ years experience in the building industry including CAD design, training, 3D concept modeling and building design. All participants receive a Statement of Attainment upon completing course.

DATE: 16 - 18 July 2019 [Tuesday - Thursday]
9am - 4.30pm all days

VENUE: Inverell Town Hall Annex

FURTHER INFO: Call Inverell Shire Council on 67288288 or email council@inverell.nsw.gov.au

Upon registering, participants will be provided with details to download their own copy of AutoCAD software.

BYO LAPTOP

LUNCH & SNACKS PROVIDED

FREE AUTOCAD SOFTWARE

The It Starts with You! project is supported by the NSW Government through the Youth Opportunities program.
