

**NOTICE TO APPLICANT OF DETERMINATION
OF A DEVELOPMENT APPLICATION**

Issued under the *Environmental Planning & Assessment Act, 1979* Section 81(1)(a)

TO: **Mr Peter Martin Jarrett**
OF: **2 Ring Street**
Inverell NSW 2360

being the applicant in respect of **Application No DA-46/2019**

Notice is hereby given of the determination by Council of **Application No. DA-46/2019** relating to the land owned by **Olabarb Pty Ltd, of 350 Old Bundarra Road, Inverell NSW 2360** and is described as follows:

**Lot 6 DP 770443, Lot 1 DP 160845, Lot 7 DP 770443, Lot 8 DP 770443, Lot 9 DP 770443, Lot 10
DP 770443, Lot 5B DP 157763
2 Ring Street, INVERELL 2360**

The development proposal is: **Partial Use of 2 Ring Street for Car Restoration and Sales**

The Determination is **consent granted subject to conditions described below** made on **24 June 2019**.

This consent expires five (5) years from the date on which it commences to operate in accordance with Section 83 of the Environmental Planning and Assessment Act 1979 unless the work to which it relates has physically commenced on site within that period. Where the approval relates to a use of the land rather than to the carrying out of works then that use must have commenced on site within that five year period.

The conditions of consent are set out as follows:

Preliminary

1. Inverell Shire Council issues its consent, subject to conditions stated hereunder, in accordance with Section 80A of the *Environmental Planning and Assessment Act 1979*.

Consent is granted for:

- The partial use of 2 Ring Street for car restoration and sales; and
- The period of use being limited to a maximum of 12 months from the date of this consent.

To confirm and clarify the terms of consent, the development must be carried out in accordance with the stamped and approved documentation, unless modified by any following condition. Any deviation will require the consent of Council.

2. Upon expiration of twelve months, from the date of this consent, the use must cease or further development consent obtained from Council.

Operational Conditions

3. The hours of operation are to be limited to 7.30am to 6.00pm, Monday to Friday.
4. All vehicle repairs and/or restoration work (excluding any spray painting) is to be undertaken within or at the rear of the building.
5. All goods and vehicles associated with the vehicle repair station must be parked/stored entirely within the site.

6. At no time may any goods for sale, display or storage be placed on the public road, public footpath, service land, parking area and driveways, public or private pedestrian walkways, or outside the site without the prior consent of Council.
7. All oils, hydraulic fluids, paints, etc. are to be stored in secure containers within a suitably bounded area. Waste oils, hydraulic fluids, paints, etc. are to be disposed in accordance with the *Protection of Environment Operations Act 1997*.

A spill procedure is to be implemented on-site and spills are not to be hosed down sewer drains, stormwater drains, driveways or street gutters.
8. Any spray painting must be undertaken in accordance with the 'Spray painting and powder coating code of practice' published by NSW Workcover.

Note: The installation of a spray booth will require separate development consent from Council.
9. The noise level emanating from any air-conditioning systems, plant and/or equipment must not exceed the background level by more than 5dB(a) when measured at the worst affected property not associated with the development.
10. Works on site are to be carried out in accordance with the *Protection of the Environment Operations Act 1997* in relation to noise, dust and associated nuisances from the site. The carrying out of works shall not interfere with the quiet enjoyment of the surrounding neighbourhood
11. The owner of the building must certify to Inverell Shire Council every year that the essential fire safety measures installed in the building have been inspected and are capable of operating to the required minimum standard.
12. Separate approval must be obtained from Council prior to the installation of any advertising signs, other than signs which may be installed as 'Exempt Development' in accordance with *State Environmental Planning Policy (Exempt and Complying Development Codes) 2008* or Schedule 2 of the *Inverell Local Environmental Plan 2012*.

Reasons for Conditions:

The above conditions have been imposed:

1. To ensure compliance with the terms of the applicable environmental planning instruments.
2. Having regard to Council's duties of consideration under Section 79C of the *Environmental Planning and Assessment Act 1979*, as well as Section 80A which authorizes the imposing of the consent conditions.
3. Having regard to the circumstances of the case and the public interest.

Reasons for Approval

1. The development, subject to conditions, is consistent with the objectives of the IN1 General Industrial zone.
2. The use is permitted for a period of twelve months only. After twelve months, the use must cease of further development consent must be obtained.
3. With appropriate conditions and maximum twelve month operation period, the development is not considered to have an adverse impact on the amenity of the neighbourhood.

Community Consultation

As per section 1.11 of the Inverell Development Control Plan 2013 the development was considered to be a minor development with minimal environmental impact and notification was not necessary.

If you are dissatisfied with this decision section 97 of the *Environmental Planning and Assessment Act 1979* gives you the right to appeal to the Land and Environment Court within 6 months after the date on which you receive this notice.

You are also advised that section 82A of the *Environmental Planning and Assessment Act 1979* provides that you may apply to Council for a review of this decision subject to the limitations contained in that section and payment of the prescribed fee.

On behalf of Inverell Shire Council

Prescribed Conditions Summary

As per condition 2 of this consent, the following matters prescribed under Division 8A of the *Environmental Planning & Assessment Regulation 2000* must be complied with, where relevant:

1. All work must be carried out in accordance with the requirements of the *Building Code of Australia*.
2. In the case of residential building work for which the *Home Building Act 1989* requires there to be a contract of insurance in force in accordance with Part 6 of that Act, that such a contract of insurance is in force before any building work authorised to be carried out by the consent commences.
3. Prior to commencement of building work, subdivision work or demolition work a sign must be erected in a prominent position on the site. The sign must:
 - show the name, address and telephone number of the principal certifying authority for the work;
 - show the name of the principal contractor (if any) for any building work and a telephone number on which that person may be contacted outside working hours; and
 - state that unauthorised entry to the work site is prohibited.

The sign is to be maintained while the work is being carried out, but must be removed when the work has been completed.

4. Residential building work within the meaning of the *Home Building Act 1989* must not be carried out unless the principal certifying authority for the development to which the work relates (not being the Council) has given the Council written notice of the following information:
 - in the case of work for which a principal contractor is required to be appointed:
 - the name and licence number of the principal contractor; and
 - the name of the insurer by which the work is insured under Part 6 of that Act; and
 - in the case of work to be done by an owner-builder:
 - the name of the owner-builder; and
 - if the owner-builder is required to hold an owner-builder permit under that Act, the number of the owner-builder permit.

If arrangements for doing the residential building work are changed while the work is in progress so that the information notified as required above becomes out of date, further work must not be carried out unless the principal certifying authority for the development to which the work relates (not being the council) has given the council written notice of the updated information.

5. If the development involves an excavation that extends below the level of the base of the footings of a building, structure or work (including any structure or work within a road or rail corridor) on adjoining land, the person having the benefit of this consent, must at the person's own expense:
 - protect and support the building, structure or work from possible damage from the excavation; and
 - where necessary, underpin the building, structure or work to prevent any such damage.
