

Annual permits for non-desexed cats start on 1 July 2020

Desexing is better for your cat, our neighbourhoods and wildlife

To avoid the fee, all you have to do is get your cat desexed now or ensure your cat is registered by 1 July 2020

Desexing your cat before four months of age:

- ✓ prevents unwanted litters
- ✓ prevents illness and disease
- ✓ prevents straying and spraying
- ✓ helps protect our wildlife
- ✓ reduces the burden on animal shelters
- ✓ increases longevity
