Consent is granted for the use of the carport and front porch.

To confirm and clarify the terms of consent, the development must be carried out in accordance with the stamped and approved plan and accompanying documentation, unless modified by any following condition. Any deviation will require the consent of Council.

2. All stormwater (i.e. roof water and/or surface water) shall be drained in accordance with *Australian Standard 3500.3 Plumbing and drainage*.

Reasons for Approval

1. The development, subject to conditions, is consistent with the objectives of the R1 General Residential zone.
2. In consideration of the controls of the Inverell Development Control Plan 2013, the carport and front porch are minor structures and not considered to adversely impact the amenity of the surrounding area.
