<b>Approved development</b>	Alterations and Additions to Dwelling
<b>Building Code of Australia Classification</b>	Class 1a Class 10a
<b>Determination</b>	The determination is <b>consent granted subject to conditions.</b>
<b>Determination date</b>	26 March 2021
<b>Consent is to operate from</b>	26 March 2021
<b>Consent will lapse on</b>	26 March 2026

Unless the work or use to which this consent relates has lawfully commenced on-site in accordance with Section 4.53 of Environmental Planning and Assessment Act 1979.

### CONDITIONS OF CONSENT

#### *Preliminary*

1. Inverell Shire Council issues its consent, subject to conditions stated hereunder, in accordance with Section 4.17 of the *Environmental Planning and Assessment Act 1979*.

Consent is granted for Alterations and Additions to the Dwelling.

To confirm and clarify the terms of consent, the development must be carried out in accordance with the stamped and approved plans and accompanying documentation, unless modified by any following condition. Any deviation will require the consent of Council.

2. The applicant must comply with all relevant prescribed conditions as contained in Division 8A of the *Environmental Planning & Assessment Regulation 2000*.

#### *Prior to Construction*

3. Prior to the commencement of any works (including earthworks) on the site a Construction Certificate must be issued in accordance with the *Environmental Planning and Assessment Act 1979*. The application for a Construction Certificate shall include plans and specifications demonstrating full compliance.

### ***During Construction***

4. To safeguard the local amenity, reduce noise nuisance and to prevent environmental pollution during the construction period:
  - Works on site are to be carried out in accordance with the *Protection of the Environment Operations Act 1997* in relation to noise, dust and associated nuisances from the site. The carrying out of works shall not interfere with the quiet enjoyment of the surrounding neighbourhood;
  - Construction may only be carried out between 7.00am and 5.00pm, Monday to Saturday, and no construction is to be carried out at any time on a Sunday or Public Holiday. Council may consent to vary these hours in particular circumstances where it can be demonstrated that it is unavoidable;
  - Stockpiles of topsoil, sand, aggregate, spoil or other material shall be stored clear of any drainage path of easement, natural watercourse, footpath, kerb or road surface and shall implement measures to prevent the movement of such material off site;
  - Building operations such as brick cutting, washing tools, concreting and bricklaying shall be undertaken on the building block. The pollutants from these building operations shall be contained on site;
  - Builders waste must not be burnt or buried on site. All waste (including felled trees) must be contained and removed to a waste disposal depot; and
  - Where the proposed development involves the disturbance of any existing survey monuments, those monuments affected will need to be relocated by a registered surveyor under the *Surveying and Spatial Information Act 2002*. A plan showing the relocated monuments will then be required to be lodged as a matter of public record at the Lands Titles Office.

### ***Prior to Occupation***

5. Prior to occupation of the dwelling and/or shed, an Occupation Certificate must be issued for each building in accordance with the *Environmental Planning and Assessment Act 1979*.

*Note: Prior to issue of the Occupation Certificate, the Principal Certifying Authority is required to be satisfied, amongst other things, that:*

- *all required inspections (including each applicable mandatory critical stage inspection) have been carried out; and*
  - *any preconditions to the issue of the certificate required by a development consent have been met.*
6. Prior to issue of an Occupation Certificate the new access crossing is to be concreted from the kerb of Mulligan Street, to the boundary of the site in accordance with the approval under Section 138 of the *Roads Act 1993*. This will require the sewer inspection dropper within the property to be flush with the driveway. All work is to be completed to the standard approved by Council, at the applicant's expense.
  7. Prior to issue of an Occupation Certificate, all stormwater (i.e. roof water and/or surface water) shall be drained in accordance with *Australian Standard 3500.3 Plumbing and drainage*.

### ***Advice Only***

8. If the development is found to contain asbestos the applicant/builder must investigate, and carry out, their obligations as specified under WorkCover, the *Work Health and Safety Regulation 2011* and the *Protection of the Environment Operations (Waste) Regulation 1996*.

## **REASONS FOR CONDITIONS**

The above conditions have been imposed:

1. To ensure compliance with the terms of the applicable environmental planning instruments.
2. Having regard to Council's duties of consideration under Section 4.15 of the *Environmental Planning and Assessment Act 1979*, as well as Section 4.17 which authorizes the imposing of the consent conditions.
3. Having regard to the circumstances of the case and the public interest.

## **REASONS FOR APPROVAL**

1. The development, subject to conditions, is consistent with the objectives of the R1 General Residential zone.
2. The built form and design of the alterations and additions to the dwelling, subject to conditions is consistent with the streetscape and development in the locality.
3. In consideration of the residential controls of the Inverell Development Control Plan 2013, the development is considered appropriate within the neighbourhood.

## **COMMUNITY CONSULTATION**

As per the Inverell Community Participation Plan the development was considered to be a minor development with minimal environmental impact and notification was not necessary.

## **RIGHT OF APPEAL**

If you are dissatisfied with this decision, Division 8.3 of the *Environmental Planning and Assessment Act 1979* gives you the right to appeal to the Land and Environment Court within 6 months after the date on which you receive this notice. You are also advised that Division 8.2 of the *Environmental Planning and Assessment Act 1979* provides that you may apply to Council for a review of this decision subject to the limitations contained in that section and payment of the prescribed fee.
