Part A – Introduction

1. Introduction

- 1.1. The provision of expenses and facilities enables councillors to fulfil their civic duties as the elected representatives of Inverell Shire Council.
- 1.2. The community is entitled to know the extent of expenses paid to councillors, as well as the facilities provided.
- 1.3. The purpose of this policy is to clearly state the facilities and support that are available to councillors to assist them in fulfilling their civic duties.
- 1.4. Council staff are empowered to question or refuse a request for payment from a councillor when it does not accord with this policy.
- 1.5. Expenses and facilities provided by this policy are in addition to fees paid to councillors. The minimum and maximum fees a council may pay each councillor are set by the Local Government Remuneration Tribunal as per Section 241 of the Act and reviewed annually. Council must adopt its annual fees within this set range.

2. Policy objectives

- 2.1. The objectives of this policy are to:
 - enable the reasonable and appropriate reimbursement of expenses incurred by councillors while undertaking their civic duties
 - enable facilities of a reasonable and appropriate standard to be provided to councillors to support them in undertaking their civic duties
 - ensure accountability and transparency in reimbursement of expenses and provision of facilities to councillors
 - ensure facilities and expenses provided to councillors meet community expectations
 - support a diversity of representation
 - fulfil the council's statutory responsibilities.

3. Principles

3.1. Council commits to the following principles:

- **Proper conduct:** councillors and staff acting lawfully and honestly, exercising care and diligence in carrying out their functions
- **Reasonable expenses:** providing for councillors to be reimbursed for expenses reasonably incurred as part of their role as councillor
- **Participation and access:** enabling people from diverse backgrounds, underrepresented groups, those in carer roles and those with special needs to serve as a Councillor
- **Equity:** there must be equitable access to expenses and facilities for all councillors
- **Appropriate use of resources:** providing clear direction on the appropriate use of council resources in accordance with legal requirements and community expectations
- **Accountability and transparency:** clearly stating and reporting on the expenses and facilities provided to councillors.

4. Private or political benefit

- 4.1. Councillors must not obtain private or political benefit from any expense or facility provided under this policy.
- 4.2. Private use of council equipment and facilities by councillors may occur from time to time. For example, telephoning home to advise that a council meeting will run later than expected.
- 4.3. Such incidental private use does not require a compensatory payment back to council.
- 4.4. Councillors should avoid obtaining any greater private benefit from Council than an incidental benefit. Where there are unavoidable circumstances and more substantial private use of council facilities does occur, councillors must reimburse the council.
- 4.5. Campaigns for re-election are considered to be a political benefit. The following are examples of what is considered to be a political interest during a re-election campaign:
 - production of election material
 - use of council resources and equipment for campaigning
