Ethical Decision Making and Conflicts of Interest

A guiding checklist for Councillors, officers and community committees

Ethical decision making

- Is the decision or conduct legal?
- Is it consistent with Government policy, Council's objectives and Code of Conduct?
- What will the outcome be for you, your colleagues, the Council, anyone else?
- Does it raise a conflict of interest?
- Do you stand to gain personally at public expense?
- Can the decision be justified in terms of public interest?
- Would it withstand public scrutiny?

Conflict of interest

A conflict of interest is a clash between private interest and public duty. There are two types of conflict:

- **Pecuniary** regulated by the Local Government Act 1993 and Office of Local Government
- Non-pecuniary regulated by Codes of Conduct and policy. ICAC, Ombudsman, Office of Local Government (advice only). If declaring a Non-Pecuniary Conflict of Interest, Councillors can choose to either disclose and vote, disclose and not vote or leave the Chamber.

The test for conflict of interest

- Is it likely I could be influenced by personal interest in carrying out my public duty?
- Would a fair and reasonable person believe I could be so influenced?
- Conflict of interest is closely tied to the layperson's definition of 'corruption' using public office for private gain.
- Important to consider public perceptions of whether you have a conflict of interest.

Identifying problems

- **1st** Do I have private interests affected by a matter I am officially involved in?
- **2nd** Is my official role one of influence or perceived influence over the matter?
- **3rd** Do my private interests conflict with my official role?

Local Government Act 1993 and Model Code of Conduct

For more detailed definitions refer to Sections 442, 448 and 459 or the *Local Government Act 1993* and Model Code of Conduct, Part 4 – conflictions of interest.

Disclosure of pecuniary interests / non-pecuniary interests

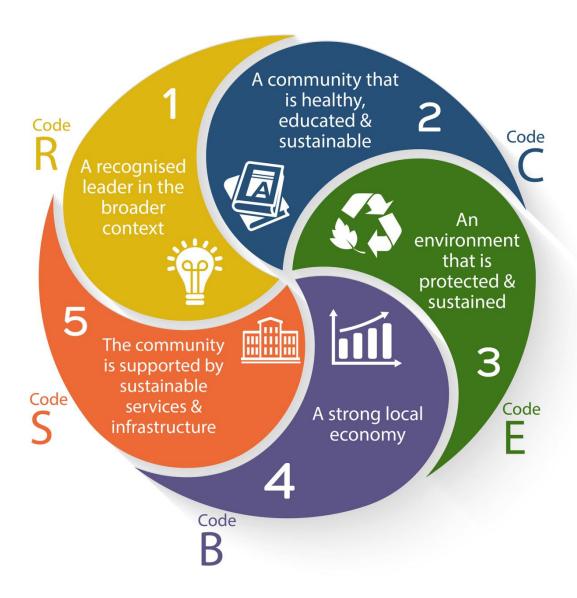

Under the provisions of Section 451(1) of the *Local Government Act 1993* (pecuniary interests) and Part 4 of the Model Code of Conduct prescribed by the Local Government (Discipline) Regulation (conflict of interests) it is necessary for you to disclose the nature of the interest when making a disclosure of a pecuniary interest or a non-pecuniary conflict of interest at a meeting.

A Declaration form should be completed and handed to the General Manager as soon as practicable once the interest is identified. Declarations are made at Item 3 of the Agenda: Declarations - Pecuniary, Non-Pecuniary and Political Donation Disclosures, and prior to each Item being discussed: The Declaration Forms can be downloaded at Disclosure of pecuniary interests form or Donation Disclosure of pecuniary interests form or Donation Disclosure of pecuniary interests form or Donation Disclosure of pecuniary interests form

4 DESTINATION REPORTS

4.1 INVERELL SHOWGROUND LAND MANAGER - REQUEST FOR A DONATION FOR SEWER CHARGES

File Number: \$25.9.3 / 22/30794

Author: Emma Murphy, Revenue Coordinator

SUMMARY:

Council is in receipt of a letter from Heather Morris, Secretary of the Inverell Showground Land Manager. The Land Manager is seeking a reduction/adjustment to the sewer charges for the Inverell Showground in 2022/23.

RECOMMENDATION:

A matter for the committee.

COMMENTARY:

In 2020 and 2021, the Inverell Showground Land Manager applied to Council for a reduction in the sewer charges for the 2020/21 and 2021/22 rating years due to the Land Manager receiving minimal income due to the COVID-19 pandemic and minimal opportunities to host events. Council acceded to this request by providing a 30% reduction in the sewer charges for the 2020/21 and 2021/22 rating years for the sum of \$2,179.32 and \$2,265.78 respectively.

The Inverell Showground Land Manager has again applied to Council for financial support; seeking a donation for the 2022/23 sewer charges.

The Inverell Showground Land Manager has advised that several events, regular and itinerant were cancelled during 2021, it has resulted in a loss of income and less use of the facilities (toilets etc).

The Inverell Showground is a non-ratable property, under section 555 of The Local Government Act - land is exempt from all rates - (a) land owned by the Crown not being land held under a lease for private purposes. The property does not pay general rates, only services, such as water and sewer.

Non-ratable properties are levied under Council's non-ratable sewer structure, which is an annual charge, per toilet (\$158.00) and per urinal (\$95.00) rate. In 2022/23 Council levied the showground with 50 toilets and 4 urinals, totaling \$8,280.00.

Providing a reduction in the number of sewer services in the rating system is not permissible under the *Local Government Act 1993* and *Local Government Regulations 2005*. Should Council wish to provide the Trust with assistance for the 2022/2023 financial year, a donation maybe made in lieu of rates.

If a 30% donation in lieu of sewer rates is provided this would equate to, \$2,484.00.

POLICY IMPLICATIONS:

Nil

CHIEF FINANCIAL OFFICERS COMMENT:

Council regularly provides donation in lieu of rates to other community groups and public community halls. The donation is usually made after rates have been paid in full. A donation in lieu of rates to the Inverell Showground Land Manager would be fundied from Council's donation budget which currently has \$22,495 in available funding.

INVERELL SHOWGROUND LAND MANAGER

ABN 76 748 463 581

Incorporated under the Crown Land Management Act 2016

17th August 2022

The General Manager Inverell Shire Council Attention: Paul Pay/Emma Murphy

Dear Sir,

Toilet tax charged to Inverell Showground Land Managers.

We refer to your letter of the 12^{th} June $2020-ref\ s25.9.3$ advising the Inverell Shire Council's offer of a donation of 30% of the Sewerage rates.

Several events, regular and itinerant were cancelled during 2021 resulting in loss of income and less use of facilities (toilets etc).

Apart from this most of the toilets/showers are not used on a regular basis.

We again ask if the Council could provide assistance by offering the same arrangement as last rateable year for the sewerage rate (Toilet tax).

Yours sincerely

Heather Morris Secretary.

4.2 ARTS NORTH WEST MEMBERSHIP

File Number: \$26.5.4 / 22/31468

Author: Paul Henry, General Manager

SUMMARY:

Three (3) items of correspondence have been received in relation to Council's decision on membership of Arts North West.

RECOMMENDATION:

The Committee recommend to Council that:

- (a) The information be noted; and
- (b) The request from the Sapphire City Concert Band for an additional donation be declined.

COMMENTARY:

Since the decision to cease membership of Arts North West the following items of correspondence have been received:

1. Form Letter

Authors: Mr Peter Robertson

Mrs Margaret Robinson

The two (2) correspondents have utilised a form letter distributed to a number of cultural groups in Inverell . A copy of this letter is attached.

2. Sapphire City Concert Band Inc

Mrs Tubb requests Council make a \$3K donation to the Band to 'recompense' them for not receiving grant funding from Arts North West.

Mrs Tubb has made an erroneous assumption and as such the request for an additional donation has limited merit.

The following information is provided to illustrate this point:

- i) The Country Arts Support Program (CASP) funding program is administered by the Regional Arts Development Organisations. Each organisation is provided with a sum of approximately \$18K to distribute.
- ii) The program is a competitive program. There is no assurance that any application will receive funding as only six (6) applications will be successful.
- iii) The Arts North West CASP program had the following critical dates:
 - 11 April 2002 applications open
 - 30 May 2022 applications close
 - 17 June 2022 successful recipients notified
- iv) Inverell Shire was a member of Arts North West at each of these critical dates.
- v) Arts North West website states that any group or any arts-based organisation operating in one of the 12 listed local government areas is eligible to apply Inverell Shire is listed as one of the 12 nominated areas.

4.3 TRANSFER OF INTERNALLY RESTRICTED ASSETS AND BUDGET REVOTES FROM 2021/2022

File Number: \$12.5.1/15 / 22/31852

Author: Robert Kimmince, Manager Financial Services

SUMMARY:

The purpose of this report is to provide Council with information on those votes of expenditure in the 2021/2022 Operational Plan that need to be "revoted" and included in an amended 2022/2023 Operational Plan.

RECOMMENDATION:

The Committee recommend to Council that:

- *i)* the report be received and noted;
- ii) the list of revotes in the attachment be revoted to the 2022/2023 budget; and
- iii) the transfers to Council's Externally / Internally Restricted Assets for the 2021/2022 Financial Year totalling \$7,277,088 and Council's transfers from Externally / Internally Restricted Assets for the 2021/2022 Financial Year totalling \$3,498,443 be endorsed.

COMMENTARY:

Each year Council votes funds for the undertaking of special projects and the provision of regular services by adopting an Operational Plan. These votes of funds lapse at the end of each financial year.

However, the Local Government (General) Regulations 2005 provides for a number of exceptions to this rule. In addition, Council has resolved that at the end of each financial year certain additional provisions are to be made in the following year's Operational Plan to ensure the sustainability of Council's Financial Position.

The exception and additional provisions needing to be "revoted" by Council resolution into the following year's Operational Plan are:

- Works/services/facilities carried out, stated or contracted to be carried out (revenue and grant funded works),
- Maintenance of the Interest Equalisation Reserve,
- Accumulation of the Village Grant Scheme and Public Art Votes; and
- Provisions of Transfer to Reserves for undertaking major capital works in future years. For example: Tingha Bridge Roundabout and Inverell Swimming Pool Redevelopment.

In pursuance of these legislative provisions and Council policies, a schedule of individual votes required to be included in an amended 2022/2023 Operational Plan is attached (**Attachment 1**).

This list is greater than 2020/2021 revotes due to the significant amount of grant funding received in the 2021/2022 financial year (a total of \$28.211M with the previous 5 years only averaging \$14.796M) that resulted in the deferral of a number of revenue funded works, particularly road works.

The transfers to/from Internally Restricted Assets are shown in the attached (**Attachment 2**) "Internally Restricted Assets (Cash) Movements Summary".

Details of the purpose of each restricted asset are shown in the Summary.

5.1 BUNDARRA RESIDENTS ASSOCIATION - CORRESPONDENCE

File Number: \$13.1.1 / 22/30981

Author: Paul Henry, General Manager

SUMMARY:

Further correspondence has been received from the Bundarra Residents Association. Details are provided below for the information of Council.

RECOMMENDATION:

That the information be received and noted.

COMMENTARY:

The President of the Bundarra Residents Association, Mr Richard Goodall, has provided an update on the Association's efforts on this issue. Mr Goodall states:

'Just an update on where we are at with the proposed realignment of boundaries and our move to Inverell Shire Council.

We have mailed out petitions to all the residents in the expanded area to Cameron's Creek & Abington Creek and still collecting signatures in the township, we have had health issues that have

Slowed things down like everyone else but wanted to let you know we are continuing with our efforts despite Covid and Flu causing us to temporarily stall.

Despite Mayor Robert Bell & councillors passing a motion on 22nd July 2022 to reject our proposal, they have not received any copies of the as yet 'uncompleted petition or proposed boundaries' and

so the motion is really a pointless exercise as have no information on which to base their motion.

I note that they have indicated that they have also written to Inverell Shire Council stating that they do not support the relocation of Bundarra & surrounds but until they receive formal documentation from us on which to act it really is a case of putting the cart before the horse.

It is a process and we are not rushing it as we want to get it right and our next step will be to include Adam in discussions with Uralla Shire and yourselves at Inverell Shire. We have had a very positive response from residents to date and they overwhelmingly want to move.

We'll keep you up to date and informed but wanted to reaffirm our intention to move to Inverell Shire Council'.

Mr Adam Marshall has been sent a copy of this letter from the Bundarra Residents Association.

B) Council Investments by Fund 31 August, 2022

| Portfolio by Fund | 31/07/2022 | 31/08/2022 |
|-------------------|--------------|--------------|
| General Fund | \$49,000,136 | \$48,003,170 |

| Sewer Fund | \$7,010,104 | \$7,012,361 |
| TOTAL | \$67,529,106 | \$66,538,162 |

Council's investment portfolio has decreased in August 2022 by \$990K. This was in respect of normal cash flow movements for receipts collected and payments made during August 2022.

| | | 2022/2023 | Actuals | Accrued | TOTAL |

| Water Fund | 812350 | 84,000.00 | • | 13,470.14 | 13,470.14 |
| Sewer Fund | 906320 | 60,000.00 | 14,421.92 | 10,176.44 | 24,598.36 |
| TOTAL | | 654,000.00 | 87,219.64 | 148,660.16 | 235,879.80 |

Term deposit interest rates have improved recently with a 12-month term deposit now yielding 3.9-4.1%. Given our strong investment balances, Council is expected to exceed interest revenue targets in 2022/2023. This additional interest received during 2022/2023 will be allocated to special projects during 2023/2024.

C) Investment Portfolio Performance

| Investment Portfolio Re | turn | Benchmarks | | | |
|----------------------------|-------|---------------|-----------|-----------|--|

| Cash Deposit Accounts | 1.85% | | | | |
| 180 Day Call Account | 1.80% | | | | |
| Floating Rate Notes | 0.00% | | | | |

D) Investment Commentary

Council's investment portfolio is currently underperforming when compared to the above benchmarking indexes. The portfolio's underperformance is expected to be temporary given the relatively high level of turnover (around one-quarter of the deposit portfolio is maturing within the next 6 months).

Council's investment portfolio of \$66.5M is almost entirely invested in fixed term deposits. Overall, the portfolio is highly liquid, highly rated and short-dated from a counterparty perspective.

The RBA raised the official cash rate by 50bp to 1.85% in August, the third consecutive 50bp increase. Their statement repeated that "the Board expects to take further steps in the process of normalising monetary conditions over the months ahead", but also added policy "is not on a pre-set path". The RBA is still prioritising achieving a soft landing if inflation expectations remain anchored as they currently believe it to be.

The RBA's inflation forecasts were revised higher with inflation set to peak at 7.75% over 2022, remain high at 4% in 2023 and around 3% over 2024.

Markets are currently pricing in around 7-8 additional rate rises over the next two years (up to $3\frac{3}{4}\%$), against the RBA's neutral setting of $2\frac{1}{2}\%$. Fears of a looming global recession have actually seen rate cuts start to be priced in towards the second half of 2023, although this seems unlikely for now.

Certification – Responsible Accounting Officer

I Paul Pay, hereby certify that the investments listed in this report have been made in accordance with Section 625 of the *Local Government Act 1993*, Clause 212 of the Local Government (General) Regulations 2005 and Council's Investment Policy.

CHIEF FINANCIAL OFFICERS COMMENT:

Council's term deposit portfolio was yielding 1.63% p.a. at month-end, with a weighted average duration of around 345 days or 11.5 months. Council is well positioned to take advantage of increasing term deposit rates as investments mature.

6.2 **GENERAL & SPECIAL PURPOSE FINANCIAL REPORTS 2021/2022**

File Number: S12.11.5 / 22/31840

Author: **Robert Kimmince, Manager Financial Services**

SUMMARY:

The Draft General Purpose and Special Purpose Financial Reports have been finalised by Council staff. This report recommends Council authorises the referral of these documents to Council's external Auditor for audit.

RECOMMENDATION:

The Committee recommended to Council that:

- the report be received and noted;
- Council's DRAFT 2021/2022 Financial Statements be "referred to audit" in accordance with ii) s413(1) of the Local Government Act 1993.
- If during the audit process, the NSW Audit Office requires any material changes, or iii) discovers any audit issues that would render the Financial Statements false or misleading in any way, the draft financial statements are to be returned to Council for further consideration.
- Council record as an opinion of Council, in accordance with s413 (2c) of the Local iv) Government Act 1993, that the draft 2021/2022 annual financial report is in accordance with:
 - the Local Government Act 1993 (as amended) and the Regulations made there under.
 - the Australian Accounting Standards and professional pronouncements,
 - the Local Government Code of Accounting Practice and Financial Reporting, and
 - presents fairly the Council's operating result and financial position for the year, and
 - accords with Council's accounting and other records; and
 - that the Council is not aware of any matter that would render this report false or misleading in any way.
- Subject to no material audit changes or audit issues discovered as a result of the audit v) process:
 - the Mayor, Deputy Mayor, General Manager and Responsible Accounting Officer be authorised to sign the statements as required by s413(2) of the Local Government Act 1993;
 - ii) Council authorise the General Manager to forward the Financial Statements to the Office of Local Government upon receipt of the Audit Reports from the NSW Audit Office:
 - iii) Council authorise the General Manager to place the audited Financial Statements on public exhibition and provide notice in accordance with s418(3) of the Local Government Act 1993, that Council will consider the Reports of its Auditors for the year ended 30 June, 2022 at its Ordinary Meeting to be held on Wednesday 23 November, 2022; and
 - iv) Council present the signed audited Financial Statements to the public at the Ordinary Council meeting to be held on 23 November, 2022 in accordance with s 419 (1) Local Government Act 1993.

COMMENTARY:

The Local Government Act 1993 requires Council to prepare each year financial reports and to then refer these reports for audit as soon as practicable after the end of that year.

The 2021-2022 General Purpose Financial Report and Special Purpose Financial Report have been completed and arrangements have been made with Council's independent auditor, Audit Office of New South Wales, to complete the end of year audit.

A draft set of the financial reports will be provided to the Audit Risk and Improvement Committee for review at its September meeting. When the audit is completed the NSW Audit Office will issue a client service report which will be presented along with the audited financial reports to the Audit Risk and Improvement Committee for review.

Copies of the draft primary statements are attached to this report, a full set of statements including notes and special schedules have been supplied for Councillors information via Dropbox.

The audited financial statements and independent auditors report will then be presented to Council and the public at the Ordinary Council Meeting to be held on 23 November, 2022, in accordance with s419 (1) of the *Local Government Act 1993*.

Section 413(2)(c) of the *Local Government Act 1993* requires a Statement, signed by the General Manager, Responsible Accounting Officer, Mayor and one Councillor, to accompany the draft Financial Reports when they are sent to the Audit Office. The form of this statement is specified in the Local Government Code of Accounting Practice and requires Council authorisation.

Staff Certification:

The General Manager, Mr Paul Henry, and the Responsible Accounting Officer, Mr Paul Pay, have both certified that to the best of their knowledge, the General Purpose and Special Purpose Financial Reports have been prepared in accordance with all statutory requirements and believe the reports present fairly the financial position of Inverell Shire Council at 30 June, 2022.

Council Certification:

Before audit certificates will be issued by the Audit Office of NSW, Council must record as an opinion of Council in accordance with the provisions of s413(2)(c) of the *Local Government Act* 1993, (as amended) that Council's Annual Financial Reports/Special Purpose Finance Reports have been prepared in accordance with:

- the Local Government Act 1993 (as amended) and the Regulations made there under.
- the Australian Accounting Standards and professional pronouncements, and
- the Local Government Code of Accounting Practice and Financial Reporting, and
- presents fairly the Council's operating result and financial position for the year, and
- accords with Council's accounting and other records; and
- that the Council is not aware of any matter that would render this report false or misleading in any way.

Legislative Requirements

After the 2021/2022 Financial Statements have been audited, Council must present the signed audited Financial Statements to the public at an Ordinary Council meeting in accordance with Section 419 (1) of the *Local Government Act 1993*. The last possible day to present the financial reports is 5 December, 2022.

Council must also place the audited Financial Statements on public exhibition and provide notice in accordance with Section 418 (3) of the *Local Government Act 1993*, that Council will consider the Reports of its Auditors for the year ended 30 June, 2022. The public notice must provide a minimum of seven (7) days' notice for the public presentation.

It is proposed that the audited 2021/2022 Financial Statements be presented to the public at Council's Ordinary Meeting to be held on Wednesday 23 November, 2022 and that Council make a public notice in the Inverell Times no later than 10 November, 2022.

FINANCIAL ANALYSIS:

A review of Council's cash position at 30 June, 2022 indicates that all Council funds have again finished with a small cash surplus for the 2021/2022 financial year, after transfers to/from Internally Restricted Assets have been considered.

GENERAL FUND

Council has achieved a cash surplus in its general operations of \$2K after net transfers to/from Internally Restricted Assets.

Waste Management Services:

The Waste Management Fund remains in a sound financial position to complete the implementation of the Waste Management Strategy over the coming years.

Council will be aware of the costs incurred in Council taking over the Waste Collection Services, closing landfills, establishing transfer stations and the works undertaken at the Inverell Waste Depot from 2015 to 2020. The Waste Management Internally Restricted Assets have a balance of \$4.6M. Further significant expenditures are planned for 2022/2023, this includes the additional closure of rural landfills. Waste Management charges are expected to generate a transfer to the Waste Internally Restricted Asset of \$300K in 2022/2023 and following years which will help to offset the large expenditures expected in this area.

Domestic Waste Management:

This fund is externally restricted and provides the road side collection of general domestic waste. The fund remains in a sound financial position with sufficient funding available to implement new domestic waste services when required, such as a FOGO (Food Organics and Garden Organics) services. The Domestic Waste Management Externally Restricted Assets has a balance of \$1.1M as at 30 June, 2022.

Plant Fleet:

Council's plant fleet returned an operating deficit of \$347K on a turnover of \$5.4M, after providing for transfers to the Internally Restricted Asset for Plant Replacements. This is the first deficit in the fleet fund for over 15 years and contributing factors include, increased fuel prices, reduced fuel tax credits, increased cost of parts and repairs, and low plant hire revenue due to wet weather. This deficit was funded by Fleet Internal reserves. Plant hire rates increased from the 1 July, 2022 by 16.6% and Council staff continue to monitor price fluctuations on a monthly basis.

Financial modelling has been undertaken which indicates that the plant fleet fund will continue to be sustainable in the long term. The Fleet fund continues to provide a modern fleet at very competitive charge rates.

Investments:

Council's General Fund investments continued to record sound, but lower overall returns in 2021/2022 than in previous years. Council's "Unrestricted Current Ratio" for the Combined Fund remained sound despite the lower overall investment returns.

A review of the Financial Statements indicates that the level of Cash and Investments increased to \$74.76M at 30 June, 2022 up from \$69.6M at 30 June, 2021. Of the \$74.76M in cash and investments at 30 June, 2022 after all restricted funds are removed, only \$3.6M remains as working capital.

The following table is a dissection of Council's Investment Portfolio as at 30 June, 2022.

The General Fund Interest on investment income was above budget. The additional interest has been transferred to the Interest Equalisation reserve to reduce the impact of future declining interest rates.

In respect of Cash flows, it is noted that outstanding rates and charges decreased by 0.69% across the Combined Fund in 2021/2022. This is an excellent result given the tough economic conditions currently being experienced by rural communities.

Outstanding debtors for State and Federal Government work due at 30 June, 2022, remains over \$8,923K. This is principally as a result of the revised Government Funding Practice of now paying most Grants in arrears with Council having to carry the expenditures in the short term.

Summary:

Overall, Council's General Fund continues to perform strongly, however, significant caution needs to be exercised in Council's decisions in respect of Service Levels, Community funding requests and the addition of any new infrastructure or services. While the Special Rate Variation (SRV) did provide for increased general rates revenues, these revenues can only be applied to those works identified in the SRV approval, predominantly being rural roads maintenance and renewal.

WATER FUND:

Council's Water Fund has finished the year with a cash surplus of \$4K after net transfers to Internally Restricted Assets of \$502K. This is a sound result for the fund and is in accordance with the Long-Term Financial Plan.

The Water Fund returned an "Economic Real Rate of Return" of 1.20% up from 0.84% for 2020/2021. It is a State Government requirement that the fund obtains a positive return on capital invested/assets.

The Water Fund has produced an operating deficit (operational income – operational expenses) of \$723K, this is not to be confused with the total net operating position which includes capital grants and contributions resulting in a net surplus of \$48K. Council had budgeted for a net operating deficit of \$23K before capital grants and contributions.

The contributing factor resulting in this operating deficit was water sales were down by \$719K compared to budget due to the prolonged wet weather.

The Water Fund Interest on investment income was above budget. The additional interest has been transferred to the Interest Equalisation reserve to reduce the future impact of declining interest. Water Fund Cash and Investments at 30 June, 2022 totalled \$14.04M.

Overall, the Water Fund maintains a sound financial position.

SEWERAGE FUND:

Council's Sewerage Fund finished the year with a cash surplus of \$2K after net transfers to Internally Restricted Assets of \$349K.

The Sewerage Fund returned an "Economic Real Rate of Return" of 0.98% and is up from 0.70% for 2020/2021. It is a State Government requirement that the fund obtains a positive return on capital invested/assets.

The Sewer Fund has produced an operating deficit (operational income – operational expenses) of \$20K, this is not to be confused with the total net operating position which includes capital grants and contributions resulting in a net surplus of \$112K. Council had budgeted for a net operating deficit of \$87K before capital grants and contributions.

The main contributing factor to this deficit was the conscious effort to contain increases in sewer charges for the period of the Special Rate Variation. While the operational deficit was not significant, it will form part of considerations when developing the next Operational Plan. Council's Long-Term Financial Plan has the Sewer Fund returning to a small surplus from 30 June, 2023.

The Sewer Fund Interest on investment income was above budget. The additional interest has been transferred to the Interest Equalisation reserve to reduce the future impact of declining interest rates. Sewer Fund Cash and Investments at 30 June, 2022 totalled \$8.33M.

While the Sewer Fund maintains a sound financial position, increases in the Sewer Fund annual charges above inflation will be required in future years to fund the continuing upgrade of the Sewerage System.

PERFORMANCE BENCHMARKS:

The attached table represents Council's key performance benchmarks as at 30 June, 2022.

As shown, Council meets five (5) of the seven (7) benchmarks. Council does not meet the benchmark on the following two (2) ratios:

1. Own Source Operating Revenue.

The Own Source Operating Revenue Benchmark at 50.61% (three-year average) is significantly below the >60% benchmark requirement. Council Own Source Operating Revenue result for 2021/2022 has been significantly impacted by additional grant funding.

Council has historically struggled to meet this ratio; the approved SRV, as shown in 2020 will improve the underlying position where Council can expect to meet the benchmark much more often than not. However, the ratio will continue to be impacted by the amount of grant funding Council receives in a particular year. Even in the longer term, a year where Council receives significantly above average grant funding, something typically to be welcomed, the Own Source Revenue Ratio will dip below the benchmark of 60%.

Council received approximately \$27M in grant revenue during 2021/2022. The average grant revenue for the previous five years (2015-2020) before the government stimulus for natural disasters was only \$14M.

2. Real Operating Expenditure Per Capita Ratio

This ratio should decrease over time. During 2022 this ratio is negatively impacted by additional one-off operating grants such as Natural Disaster Assistance Grants, Fixing Local Roads, funding for new Gwydir Highway roundabout etc. Ongoing Government stimulus during 2022/2023 as a result of natural disasters will continued to impact this ratio.

RFS RED FLEET STOCKTAKE

On 23 June, 2022 Council received correspondence from Margaret Crawford, Auditor-General for New South Wales, advising Council to undertake a stocktake of the rural firefighting equipment vested to councils.

A stocktake was completed on 26 August, 2022 with the assistance of RFS.

Following this stocktake it was discovered that 18 RFS Red Fleet assets have been omitted from Council's asset register. These include:

- 2 Category 1 trucks (Large fire trucks)
- 4 Category 7 trucks (Mid-size fire trucks)
- 4 Group Vehicles (4x4 utes)
- 7 Small Trailers
- 1 Historic Vehicle (Studebaker from 1944)

The total asset value of the above items is \$1,753M.

Eight of the above vehicles were delivered to Council since 2017 after Council was excluded from the RFS budgetary process.

Council has been liaising with RFS to implement better procedures to record assets as they are delivered. Council staff will also audit the RFS asset register each year prior to the preparation of Council's Financial statement to ensure complete accuracy.

Since this accounting error relates to prior years, that is before 2021/2022, they are corrected retrospectively in the first set of financial statements authorised for issue after their discovery by restating the opening balances of assets, liabilities and equity for the earliest prior period presented. Note G4-1 "Correction of errors" shows the corrections made to Council's opening balances of assets, liabilities and equity.

The inclusion of the assets within Council's Asset System will have minimal impact on Council's financial performance. The primary impact will be an increase in depreciation expense of approximately \$100K per year.

COMBINED FUND:

This is another sound financial result for Council in all funds. It is imperative that a Council delivers an operating surplus on average, so that it can provide funding for asset renewals and upgrades and remain sustainable for the Future.

Overall, Council's other major financial indicators remain sound. Increasing operational costs will continue to pressure Council's capacity to maintain existing services levels and infrastructure. Capacity does exist in the Waste, Water and Sewerage Funds to undertake planned new capital

works in addition to asset renewals. As noted, Council also has the capacity to fully implement its Waste Strategy over the coming years.

LEGAL IMPLICATIONS:
